### Easy Online Booking Process

1. Complete the **BOOK ONLINE FORM** on our website [www.southcoastnannies.com.au/book-online/](http://www.southcoastnannies.com.au/book-online/) Provide as much information which will assist the Babysitter with the care of your children to cater for your family's needs.
2. After Booking your Babysitter you will be directed to the **Payment System**, where you are then required to provide your Credit Card details. An invoice will be emailed to you for your records, and the Booking Fee will be processed at this time to secure the date of service. Payment of the Booking Fee is required before the Assignment .
3. When your Babysitter has been secured you will be sent their Nanny Profile. This is our way of introducing parents and children to the Nannies child care qualifications, experience as professional childcare worker and most importantly, a photo to put a face to the name.
4. Your Babysitter will call you to introduce themselves and provide you with their contact details in order to provide you with regular updates during the assignment. At the end of the assignment you will receive a written evaluation of the events, what activities they did and how they were during the time spent with the Babysitter.
5. For Group Bookings, you may be asked to fill in a **"Family Information Form"** so that the Babysitter has all the information regarding all the children in their care.
