4 EASY STEPS TO SAVE THE DATE !

Book your Professional Babysitter in minutes

1. Complete the **Book Online Form** on our website www.southcoastnannies.com.au/book-online/ This form gathers details regarding dates, times, the children's routines, medication requirements, additional needs, allergies, and the type of Babysitter you would like to suit your family.
2. After Booking your Babysitter, you will be directed to the **Payment Portal**, where you are required to provide your Credit Card details. An invoice will be emailed to you for your records to confirm the booking.
3. Once you have been matched with a Babysitter you will be sent their Nanny Profile. This is our way of introducing the parents and children to the Babysitter's qualifications, experience as a professional, and most importantly a photo to put a face to the name.
4. Your Babysitter will call to introduce themselves, gather any additional details and provide updates during the booking. At the end of the Assignment, you will receive a written evaluation of the events, what activities they experienced and how they were during their time with the Babysitter.

Our Ratios

Our Babysitters are matched based on the number of children, their age groups and / or additional requirements. Our Ratios are a combination of Legislative Standards and our experience of providing high quality care.
