\$15 per Family - Group Bookings

Hourly Rate

\$25 an hour
\$30 an hour Sunday Rates
\$45 an hour Public Holiday

Depending on location a Travel Fee may apply.

Our Ratios

Nanny to Child Ratio 1:4 children, with young children it is lower dependent on the ages. If the number of children are over our ratios, higher Hourly Rates may apply .

Online Procedures for Booking a Babysitter

1. Complete the **BOOK ONLINE FORM** on our website [HTTPS://SOUTHCOASTNANNIES.COM.AU/BOOK-ONLINE/](https://southcoastnannies.com.au/book-online/)
There is a minimum of 4 hours service for each Assignment. Provide as much information that will assist the Babysitter with the care of your children and catering for your Family needs.
2. After Booking your Babysitter you will proceed to the **Payment System** where you are then required to provide your Credit Card details. An invoice will be emailed to you for your records, and the Booking Fee will be processed to secure the date of service. Payment of the Booking Fee is required before the Assignment commences.
3. Your Babysitter has been assigned and you will be sent their "Profile". This is our way of introducing Parents and children to the Babysitter's qualifications, and experience as a Child Care professional, most importantly a Photo to put a face to their name.
4. Your Babysitter will contact you to introduce them self, and to provide you with their contact details. At the end of the Assignment you will receive a written evaluation of how the children's time was spent with the Babysitter.

PREPARING FOR YOUR BABYSITTER

It's a good idea to take time to introduce the Babysitter to your home and family.

You should also provide the Babysitter with all necessary information to take quality care of your child.

The following checklist might help.

- Show the Babysitter around your home. Identify door keys and locks, heating and cooling systems, the telephone location and First Aid Kit.
- Inform the babysitter where you are going and when you plan to return.
- Please inform the Babysitter if there will be a time that you will be out of contact.
- Explain the daily or evening routines for your child, particularly meals, rest times and bedtime.
- Provide the Babysitter with information about managing your child's, or children's, behaviour such as what to do if your child refuses to go to bed or if sibling fights become challenging.
- Explain the rules about your home as they apply to your child, such as eating only at the table or no television after 6 pm.
- Explain rules about your home that apply to the Babysitter.
- Specify if you don't want the Babysitter to carry out certain activities, such as bathing your child.
- Explain the resettling routine if your child becomes upset or wakes after going to sleep in the evening.
- Inform the Babysitter about any other medical issues, such as your child's asthma/anaphylaxis plan. Provide the Babysitter with information about your child's medical requirements. Please complete the Medication Form authorising the administration of medication to your child.
- Explain any food allergies or intolerances, or any food not allowed.
- Provide instructions for the Television, Netflix or Foxtel.
