## WHAT OUR CLIENTS SAY

*"Just writing a quick note to let you know that we were so impressed with the nanny, Klara, you provided us for two nights in Mollymook. She went above and beyond and was so amazing with the kids. They still can't stop raving about her. She was prompt, professional, friendly, warm, generous, adventurous, and the perfect person to watch our kids!! Thanks so much again."  
(Colette)*

*"Hi, I just wanted to say how thrilled I was with Klara that took care of my child Kora for my sisters' wedding at Jaspers. Klara is so good with children and my daughter felt so comfortable with her. Can you please pass onto Klara my thanks. It was so nice to not have to worry about where Kora was or what she was up to as I was flat out with my newborn baby and was in the bridal party. Thank you, Klara you made my day, so much easier. Regards Danielle  
Klara did a great job and my kids were awesome for her anyway! Thanks!" (Shayne)*

*"Hi Klara. You're so thoughtful to text. Thankfully Cian was fine after that. It took him a while to settle as he got a second wind but he slept all night then and was perfect this morning. We headed back earlier and are home in the air con now. What a warm weekend it was 😊 best wishes and thanks so much for your help, you were awesome." (9/1/2018)*

*"Just wanted to mention how wonderful Klara was, my daughter had such a great time she is urging us to go out again! Klara kept us up to date with their activities allowing both my husband and I to enjoy our evening without worry. Klara is a credit to your Agency."  
(Sarah-18/08/2018)*

*"Just wanted to give a big thank you to Klara for looking after our two kids last Saturday. Klara was amazing from the moment she turned up at our place, our eldest doesn't like to be left with many people so we were wondering how she would go, as soon as Klara started talking to her we knew she would be fine. We even got a wave from the front door as we left, which is a first from our Daughter when being left with someone other than us. Klara was so wonderful with our kids that they can't stop talking about her and asking when they will see her next. We couldn't recommend Klara enough, thank you some much for looking after our kids Klara." (Alex- 6/4/2019)*

*"Klara came to our rescue once again. My son was so excited that he was going to see Klara again! I needed help in the evenings getting my son fed and ready for bed while I looked after my newborn. My husband had to go overseas for 10 days so Klara was my angel who entertained my son and helped with bedtime. I could not have done it without her. I cannot recommend Klara highly enough and will always be forever grateful to her. I would absolutely not hesitate in requesting Klara again and the service you provide is amazing. Thank you so much once again. Xxx

DELIVERING PEACE OF MIND

*"I just wanted to write to say thank you for the wonderful service we received from all the Nannies from Southcoast Nannies during our recent wedding ceremony function at Jaspers. All Nannies arrived well before the starting time, introduced themselves to us and their friendliness made my kids comfortable within a few minutes. As parents who never left our children in nanny care before, we felt the service we received was amazing with my kids and made us feel completely at ease to enjoy the wedding. In addition, my kids were talking about Nanny Klara and the other Nannies for the next few days and they still remember them." (Navaretnam- 21/12/2019)*

*"Hi Klara, just wanted to say thanks again for the wonderful care you took of our two boys. They haven't stopped talking about how much fun they had at the wedding!"  
(Liesa & James- Jaspers 12/3/2021)*

*"We were extremely happy with our Nanny Klara, we wish we had her here with us in Melbourne! She was so wonderful with our kids Lachlan and Abigail and immediately we could tell she was experienced and would be handle them well! She entertained Lachie our eldest very quickly and made Abbie our 18 month old feel comfortable, which can be difficult as she is quite attached to her parents. Klara gave us very thorough notes for both the Friday night and Saturday wedding which we were super impressed with! Klara and the other nannies entertained the kids at the wedding and whilst they were off to the side having fun, they didn't disturb the adults which meant we could relax and have a good time. We felt very comfortable knowing our kids were in good hands, and the nannies were very happy moving between the venue and the cottages at Worrowing Estate and making the most of the property Would highly recommend South Coast Nannies for providing professional child care." (Jessica 08/05/2021)*

*"I would just like to say a huge thank you to Mel and Klara for their services on Saturday at Keely and Logan's Wedding at Jaspers. They both were absolutely lovely ladies to have met. The children were all looked after amazingly. My daughter (maid of honour), Keely and myself were so grateful for their services allowing us to relax and enjoy the whole day. Klara and Mel took charge and we are grateful as this allowed the day to run so smoothly. The 3 big boys Tyson, Blake and Karsha had a ball. Elkie (2yro), Keita and Zane also had a ball enjoying chasing the bubbles and exploring the gardens to find King Richard. Some of our guest also commented on Klara and Mel how wonderful they were with the children. Your services were amazing and hope we get to work with you in the future. Kind regards". (Debbie- 13/8/22)*

*"Dear Klara, thank you so much for looking after Alyssa and Charlotte on our wedding day. You were so great with the girls and took so much stress away from us on the day. You were so kind and lovely, even bringing me water when I fed Charlotte. We really appreciated your help".

DELIVERING PEACE OF MIND

*“Dear Klara- thank you so much for the profound role you played in our Wedding weekend by looking after our Maeve. As a Step-mum and grateful employer of Nannies back in the ‘real world’, I’ve had lots of time to reflect on the things that make it harder or easier to bond with a child, and you had SO many factors working against you (brief introduction, suspension of ordinary routine, unfamiliar surrounds, extended family wanting to ‘help’ by holding the baby...). In the face of all that, you worked with stunning grace, confidence, patience and care. It sounds a bit woo-hoo but your energy was so strong and quiet and reassuring that it not only soothed Maeve, but also my frazzled Bride nerves. In so far as any part of your casual work might be less req\warding because you don’t get to see the kids or parents again, please know that we will forever remember and be grateful for you personally (in addition to the wonderful service you provided) for giving us the invaluable gift of total confidence and peace of mind to go and enjoy all of our loved ones in one place at our Wedding weekend. Thank you from the bottom of our hearts. And if you ever want a reference, please feel free to forward my number.” (Lisa-Claire and Leo- 1/4/23)*
