## WHAT OUR CLIENTS SAY

*"We had Klara and Maree which were great! Assisted us to proceed with our wedding with ease and not a worry about the kids - we knew they were in safe hands. The Nannies were well prepared and a great assistance from when they arrived to the very end. We will be utilising this service for when we travel also in the future." (Marissa 23/2/19)*

*"We were very happy with South Coast Nannies. It was lovely to be able to talk to someone straight up about our needs as we had two kiddies and there were also 3 dogs. You were able to match the right person who effortlessly managed the day. Maree was punctual, friendly and kept us well informed during her service. We have booked Maree again for October, this time minus the dogs." (Linda- 04/07/2020)*

*"Thanks Maree and South Coast Nannies my husband and I were able to enjoy a child free Sunday afternoon knowing the children were cared for and kept busy. Maree even brought an Easter craft pack each for them which was a really lovely touch. Will certainly seek out these services again, hopefully in the near future!" (Melinda-28/03/21)*

*"We had Maree babysit our baby boy who is 19 months old, while we attended a wedding. Maree came to our hotel room and had a bag full of toys, my little boy was so taken with all the trains and cars and didn't even notice us leaving. We were worried how he would go as he has never been with a baby sitter before. Maree was amazing, she messaged me photos of him playing, and told me throughout the night what he was doing, when he had gone to sleep and kept me updated while he was sleeping. It was a blessing, I was at ease and my husband and i could enjoy our night. Maree even wrote us a little letter of the events of the whole time she had him, when I returned to the room. I highly recommend South Coast Nannies and we are so grateful for everything Maree did." (Sarah-10/04/2021)*

*"Maree was fantastic! My girls gravitated towards her as soon as she arrived. She was very warm and friendly and brought a big bag of toys and activities. I was nervous about leaving the kids with someone we didn't know but Maree put our minds at ease and sent us some photos and updates whilst we were out. Highly recommend!" (Katherine-26/06/21)*

*"Maree and Klara were both lovely from the time we met them at the wedding reception venue. They were very informative throughout the evening, which kept us at ease & able to enjoy our own evening knowing they were in great hands." (Nadina- 04/06/22)*

*"The Nannies were amazing and my boys Tyler and Jackson had a wonderful time!  
100% recommended." (Sharon Barton- 24/09/22)*

*"We were very happy with Maree looking after our twin girls. She left a thorough evaluation and we would use your services again if needed.*

*Many thanks to Maree again. (Lauren Hawke 22/10/22*

*"Nanny Maree from South Coast Nannies was the perfect care for our 12 week old Son on our Wedding day. She's a warm and welcoming lady who made me feel comfortable from our first phone conversation. Our Son Henry was just as delighted, see the photos of him with her below just a few minutes after meeting.*

*As a first time Mum I was nervous initially but retrospectively I had nothing to worry about! Nanny Maree worked in with us on the day between naps and breastfeeding to make sure Henry was content. I believe she was our good luck charm as he slept through most of our reception allowing us to let our hair down and have some fun. Thank you Maree and South Coast Nannies. We would be thrilled to recommend your services to any parents." Samantha Haylock – Barn on the Ridge*
