WHAT OUR CLIENTS SAY

"It was lovely to meet you too and the excellent service you provided enabled us to have a thoroughly relaxing and stress-free day, both on and off the course! The children all had a wonderful time and you could hear their laughter across the valley as we played our golf."

"Hi, we have returned to Newcastle and wanted to let you know how happy our families were with your service! The kids were so happy when they woke up Sunday morning and said really nice things about Mel and Anne Marie. Rebecca and I appreciate everything you did and we hope to meet with you again. Thank you very much."

Robin B

"Just wanted to say thank you for the weekend. Mel was amazing, my girls warmed to her straight away and it made it so much easier to leave them."

Thank you- Alicia,

"I wanted to let you know that we were very impressed with Meg & Mel - they were both friendly and competent. We felt very relaxed leaving our boys with them which meant we were able to enjoy our weekend."

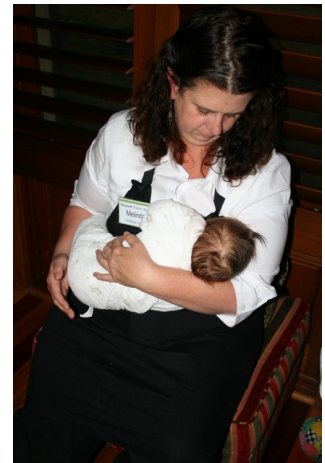

Rebecca

"I just wanted to pass on a huge THANK YOU for finding Mel for us last weekend. She was absolutely amazing. She turned up with 2 big boxes of magical toys for children's eyes only. The kids couldn't get us out the door quick enough which was a lovely feeling.

The next morning all the kids could do was talk about the wonderful time they had had with Mel.

Thanks again for your help with making our weekend away less stressful."

Regards, Louisa

"- Just wanted to say a big thank you for your services on our wedding day at Jaspers! Your nannies came in so seamlessly and took great care of all of the children. The parents raved about how good the service was and even got the kids all their food and go to sleep without too much trouble. They even brought our son back just to say goodnight to us and we found him happily sleeping when we got back.

Thank you thank you thank you!"

"GREAT SERVICE! We are so thankful for the team at south coast nannies for taking care of the little ones on our big day. My husband and I were pretty set on having an adult only wedding reception which was challenging with my family travelling from overseas meaning no one around to look after their kids. Thanks to south coast nannies we were able to let the grownups enjoy the party with the kids being well cared for on site. Being on site it allowed the parents piece of mind that they could easily get to the kids if needed but the nannies did such a good job that there was no parent input needed at all. My sister was maid of honour and her 2 kids were with the nannies. I really wanted her to enjoy the day and let her hair down and the nannies allowed this to happen. They were professional and friendly and we would definitely use this service again xx"

Nikki

"I was really happy with the service provided! It was the first time I had anyone other than family minding my 6 month old and so I was a little nervous. I was impressed with the request for information prior to the event as well as the information that was provided to me. All of the ladies I met were lovely but in particular Mel. Mel put me at ease immediately and my little man took to her immediately. I was reassured and told that I could come and visit throughout the night. Mel actually came over during the event and told me how everything was going which put my mind at ease. When we went to pick Noah up at the end of the night he was asleep and everything was packed up ready to go. I was a nervous first time mum and I was really impressed by the service provided by the ladies on the day! I would recommend this service!"

“Nanny Mel and her team were all great, lovely and professional. They reassured me that my child was doing fine and that I could enjoy a few hours of drinks food and dancing without the baby. Had a wonderful and stress free time while they looked after my 5 month old baby.” Lansi

“I just wanted to write to say thank you for the wonderful service we received from all the Nannies from Southcoast Nannies during our recent wedding ceremony function at Jaspers. All Nannies arrived well before the starting time, introduced themselves to us and their friendliness made my kids comfortable within a few minutes. As parents who never left our children in nanny care before, we felt the service we received was amazing with my kids and made us feel completely at ease to enjoy the wedding. In addition, my kids were talking about Nanny Mel and the other Nannies for the next few days and they still remember them.

Thank you so much for the service and care you have provided to us.”
